SUMMER SESSION II

General Education Online Course

FRENCH 280

Introduction to French Language, Linguistics, and Culture

French 280 is an online general education course designed to introduce key concepts about the French language, its history and evolution over time. Concentration converges on linguistics (phonetics, phonology, morphology, syntax and semantics), as well as French culture as it relates to language. The course focuses on France and bridges across the francophone countries around the world. At the end of the course, you will gain a better understanding of the impact of languages anywhere in the world.
